

GLOBAL DEEP DIVE 1

KEY FINDINGS

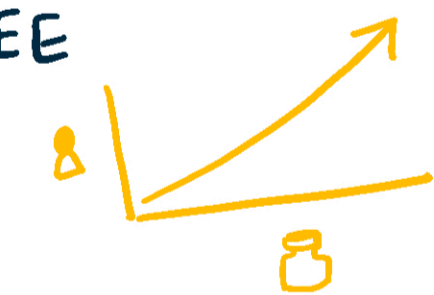

FROM THE PREVIOUS GLOBAL CONVERSATION EVENTS

• REAFFIRMED CENTRALITY OF EXISTING INITIATIVES

WHAT DOES EQUITY MEAN?

• STRONGER LMIC-CENTERED PRIORITY-SETTING & AGENDA SHAPING MECHANISMS NEEDED

IMPACT WE WANT TO SEE

• MORE STRATEGIC COLLABORATION AND CO-ORDINATION BETWEEN FUNDERS

• EXPLORE POTENTIAL FOR EVOLVING PDP'S

THE MADE IN: GLOBAL SOUTH

DE-COLONISATION OF GLOBAL HEALTH

MECHANISMS

COORDINATION BETWEEN FUNDERS

ACTIONS

- AVOID DUPLICATION OF ACTIONS
- PARTNERING WITH ORGANISATIONS WHO ARE ALREADY IN THE FIELD
- BALANCE THE CONVERSATION / DECOLONISE IT
- WORK WITH UNDERREPRESENTED GROUPS

LIMITATIONS/SOLUTIONS

- IN AFRICA FUNDING STRATEGIES AND STRUCTURES ARE LIMITED
- TRANSPARENCY AND OPENNESS ABOUT THE NEEDS AND THE MARKET
- UNSYNCHRONISED FUNDING.

ENABLING & UNDERPINNING FACTORS

- BOTTOM UP APPROACH TO DECISION MAKING
- FUNDERS FORUM IN A GLOBAL SCALE
- GEOGRAPHIC-SPECIFIC FUNDERS FORUM/OFFICE: FOR FUNDERS TO COORDINATE FUNDING AND DECISION MAKING

INDEPENDENT ASSESSMENT OF R&D FUNDING

ACTIONS

- TRACKING FUNDING RE-FRAME THE CONVERSATION AND FOCUS ON THE EFFICIENCY OF THE WORK
- TO PROCESS MEASURES: NEW PRODUCTS / PRODUCT REGISTRATION
- MORE DATA IS NEEDED TO MEASURE FUNDING
- CREATE MORE COALITIONS

LIMITATIONS/SOLUTION

- SOME AREAS NEED FUNDING AT DIFFERENT STAGES.
- FUNDERS: IT IS HARD TO UNDERSTAND WHERE THE GAPS ARE
- HOW TO GET SHAREABLE DATA IS A CHALLENGE

ENABLING & UNDERPINNING FACTORS

- AMR HUB: - HAVE A BETTER APPROACH ON HOW TO USE DATA
- ROBUST DATA ANALYSIS PLANS: → MEETINGS AMONG STAKEHOLDERS → WAYS OF UNDERSTANDING IMPACT
- IMPROVE OR REINVENT THE GFINDER TOOL

REGIONAL PRIORITY SETTING MECHANISM

ACTIONS

- FOCUS ON FINDING OUT PRIORITIES IN EACH REGION
- COORDINATION BETWEEN DONORS AND REGION
- DEEPEN THE USE OF ANALYSIS AND DATA

LIMITATIONS/SOLUTIONS

- NOT ENOUGH COMMUNICATION OF COORDINATION FOR FUNDERS
- INCLUDE THE VOICES OF AFFECTED COMMUNITIES

ENABLING & UNDERPINNING FACTORS

- TO PULL FUNDERS AROUND SPECIFIC PORTFOLIO/FUNDING/JOINT FUNDING INSTRUMENTS
- OPEN UP WILLINGNESS TO CONTROL AND TRUST
- COLLECTIVE APPROACH TO MANAGING THE PORTFOLIO
- IMPROVE OR REINVENT THE GFINDER TOOL

AMPLIFY RESEARCH CENTRES AND NEW HUBS

ACTIONS

- CAPTURING WHO IS ALREADY IN THIS SPACE GEOGRAPHICALLY
- INCREASE RESEARCH CAPACITY WITHIN LMIC AND/OR LOCALISED DISEASE
- ATTRACTING PEOPLE BACK TO REDUCE BRAIN DRAIN
- BREAK TRADITIONS AND DO THINGS WE HAVE NOT DONE BEFORE

LIMITATIONS/SOLUTIONS

- IT IS NECESSARY TO BE CLEAR ON WHAT WE ARE TALKING ABOUT.
- UNEQUAL DISTRIBUTION OF RESOURCES
- TRAINING PITFALLS COULD BE OVERCOME BY A WHO-TDR LONG-TERM FELLOWSHIP

ENABLING & UNDERPINNING FACTORS

- REGULATORY ENVIRONMENTS AIMING AT GLOBAL STANDARDS
- MAPPING THE LESSER-KNOWN INSTITUTIONS AND STRENGTHEN THEM
- USING EXISTING AND UP-AND-COMING INSTITUTES THAT ARE BUILDING R&D NETWORKS TO ADVISE, ADVOCATE AND HELP THEM

COORDINATION

WHEN IT COMES TO PRIORITY SETTING THE SYSTEM IS TOO COMPLEX

How to SYNCHRONISE FUNDERS IS A CHALLENGE

SUSTAINABILITY

WE MUST BE CORAGEOUS TO ENSURE CHANGE WITHIN ORGANISATIONS TO IMPROVE

COLLABORATION

EMPOWER SMALL INSTITUTIONS
